SPECIFIC CONTEST GUIDELINES

- The Running Beyond: The Ultimate Mapua Malayan Challenge is a race competition around the MCL.
- Twelve (12) teams will compete to finish the seven interactive challenge stations located around MCL. Each station will feature a unique task focused on the following areas:
 - o Knowledge
 - o Skill
 - o Attitude
- Before the game begins, the use of mobile devices will be prohibited, as each team will receive a race kit containing a checkpoint list, a map, and their first set of clue cards.
- The clue cards will guide each team to their designated station, which they must locate by solving a riddle or a puzzle.
 - o Each team will have different orders of clue cards and respective stations to avoid jams and to create an element of mystery.
- Once a team reaches its designated destination, an organizer will provide them with the details of the challenge they must complete. After successfully completing the challenge, the team will receive a clue leading to their next station. They must complete each task in sequence to advance toward the finish line and ultimately be

considered the champion.

- This event will be held on MMCL Campus on **November 12, 2025**.
- The organizers will document and record all activities and notable events throughout the day. After the competition, they will also conduct interviews with the participants to gather feedback and insights about their experience.
- Additional provisions—including policies on raising clarifications or objections regarding the contest mechanics or conduct—along with other relevant policies, are outlined in the **General Guidelines on Registration, Eligibility, and Other Information**, provided in a separate document.
